

# AUGUST

## First Week of School

Congratulations on the first week of school! These are our weekly newsletters that keep parents up to date and understand what is going on in the classroom. They will be in this format each week. You don't have to do anything with the Sight Words but if you want to point them out while reading or at a restaurant for extra practice that is up to you! Be Sure to check out our website for updates and reminders as well! And we will have a different star student each week!

- I know how to follow directions
- I know what is expected from me
- I know where everything is in the school
- I know who my teacher and classmates are

### Next Week Sight Words

### Star Student

**Sarah P.** for her quick adaption to the school year. She followed directions quickly, helped other students adapt to school, and her willingness to share!
